Lack of Bunkers at Virginia From New York to South

First evidence that the coal and rail strikes are having a direct effect upon scean shipping was obtained yesterday. were held at Hampton Roads for lack of bunker coal. It was learned also that many harbor barge and towing companies were slowed down for lack of fuel. As a result of restricted deliveries of coal at Norfolk, due to the cembination of rail and mine strikes, the rate for transportation of this commodity to New York and Boston has fallen about 20 per cent.

Subsidy to Lend Money Below Cost, Says Fletcher

Unprecedented Grants Provided in Ship Bill, Charges Florida Senator

WASHINGTON, July 18 .- The Administration ship subsidy bill was at-Florida Senator added that, in his opinion, it would at this time "be a mistake and most unfortunate for the country to enact them into laws."

Sale of Shipping Board vessels on long-time payments and government insurance for American ship operators were recommended by Senator Fletcher. Analyzing the bill, Senator Fletcher said it proposed to loan money to ship purchasers at rates lower than the government could itself obtain. He also thought that the Standard Oil, the United States Steel Corporation, United Fruit and other great corporations maintaining fleets of vessels would escape all taxes on their shipping prop-
